Contessa: Haute Couture for the interior

The satin collection Contessa is wall coverings with new elegance. Not only because of the basic crash optic structure, that is a look from the world of fashion, which produces an artificially crumpled material but also because contemporary gold, copper and brocade tones dominate the floral motives.

The prevailing mood is one of wine-red, olive and pastel green and royal blue through to beige and pink tones. This is how the 70 cm wide.

The Contessa collection inspires in you a home with the longed for living chic.
