

A.S. Création Press Release

Gummersbach, April 2009

Grazia: Aristocratic Moments

The opulent world of the aristocracy is the inspiration for this highly esteemed satin paper. In this case aristocratic motives convince by means of playful floral optic designs with superior gold and silver colour accentuation against a dream palette ranging from rose through pale blue to pastel green and beige.

In this special form 70cm wide form this opulent pattern repeat creates an especially good effect. The Grazia Collection offers an excellent appearance for all living areas.
