Gummersbach, April 2009

### **Yoga: Home as an Oasis of Wellbeing**

This non-woven collection from A.S. Création takes up the theme of thinking about wellness – home as an oasis of wellbeing. With the Yoga collection which presents varied motives you can create especially relaxed moments in your own home.

A warm world of colour with the stamp of actual natural and nude complexions predominates. Silver sets the accent. The harmonic floral patterns and plant designs refresh the soul.

The highlight of this collection is the composition of various coloured Buddha motives which create the effect of being embossed.
