Gummersbach, April 2011

Long Island –The retro-romantic idyll of an American holiday home on the east coast Long Island inspired this wallpaper collection which is named after it. Classics bring the fashionable preppy-look into the interior. Checked pattern, ranging from traditional tartans through a diced optic through to diagonal razzed designs, variations in stripes, clunky, festive natural structures, hound's-tooth and artificial floral decorations are arranged to create an impressive atmosphere. The tonality of beige nuances, burnt Sienna and violet, aqua as well as mint, colour the models in an appropriate manner
