

A.S. Création Press Release

Gummersbach, October 2011

Happy Hour - guaranties a good mood

Young, fresh, trendy - these wallpapers at a favourable price set up exactly the right background for uncomplicated living. Blooms, lines and retro designs with eye-catching embossed effects which bring a cheerful mood in every room even when it's grey and unpleasant outside. Borders and single colours in fresh, happy colours - for example luminous yellow, red, pink lilac and grass green make you want to find creative combinations.
